INDEPENDENT AUDITORS' REPORT

To the Members of MAHIMA HOLDING PRIVATE LIMITED

Report on the Audit of the Financial Statements

OPINION

We have audited the accompanying the Financial Statements of **MAHIMA HOLDING PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at **March 31, 2026**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flows Statement for the year then ended and notes to the Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as 'the Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2026**, its loss (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI"), together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Board's report including Annexure to Board's report but does not include the Financial Statements and our Auditors' report thereon.

V. SINGHI & ASSOCIATES

CHARTERED ACCOUNTANTS

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we conclude, based on the work we have performed, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it

V. SINGHI & ASSOCIATES

CHARTERED ACCOUNTANTS

exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the Financial Statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure, and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

V. SINGHI & ASSOCIATES

CHARTERED ACCOUNTANTS

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

OTHER MATTERS

The Financial Statements include corresponding financial information for the year ended March 31, 2025 which has been audited by another auditor. The predecessor's auditor's report dated 27th May, 2025 contains an unmodified opinion on the Financial Statements.

Our opinion is not modified in respect of above matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section (11) of Section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by sub-section (3) of Section 143 of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except with respect to our reporting on audit trail in paragraph 2(g)(vi) below, as required under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flows Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of written representations received from the directors as on March 31, 2026, taken

V. SINGHI & ASSOCIATES

CHARTERED ACCOUNTANTS

on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in **"Annexure 2"**;

(g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations as of March 31, 2026, which would impact its financial position.

ii. The Company did not have any long-term contracts including derivative contracts for which there were material foreseeable losses;

iii. There were no amounts due which were required to be transferred to the Investors Education and Protection Fund.

iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, if any, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, during the year;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, during the year; and

V. SINGHI & ASSOCIATES

CHARTERED ACCOUNTANTS

(c) Based on such audit procedures, we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year, hence the requirement for compliance with Section 123 of the Act is not applicable.
- vi. Based on our examination which included test checks, we state that the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. However, in absence of user-specific IDs, we are unable to comment whether the said audit trail (edit log) facility was operated throughout the year and not tampered-with. Further, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure – 2 to the Independent Auditors' Report

(Referred to in paragraph-2(f) under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date to the members of MAHIMA HOLDING PRIVATE LIMITED on the Financial Statements for the year ended March 31, 2026)

Report on the Internal Financial Controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("The Act")

We have audited the internal financial controls with reference to Financial Statements of MAHIMA HOLDING PRIVATE LIMITED ("the Company") as of March 31, 2026, in conjunction with our audit of the Financial Statements for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

V. SINGHI & ASSOCIATES

CHARTERED ACCOUNTANTS

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

V. SINGHI & ASSOCIATES

CHARTERED ACCOUNTANTS

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as of March 31, 2026, based on the internal financial control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MAHIMA HOLDING PRIVATE LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2026

1 - COMPANY BACKGROUND:

Mahima Holding Private Limited (CIN U67120MH1996PTC098688) was incorporated on April 08, 1996. The Company is engaged in the business of hospitality & commercial space (Owning and Development of Hotels & Commercial Space).

2 - BASIS OF PREPARATION, CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS, MATERIAL ACCOUNTING POLICIES AND RECENT ACCOUNTING PRONOUNCEMENTS:

2.1 Basis of Preparation :

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 on a historical cost convention on accrual basis.

The Company is a Small and Medium Sized Company (SMC) as defined in the General Instructions in respect of Accounting Standards notified under the Companies Act, 2013. Accordingly, the Company has complied with the Indian Accounting Standards as applicable to a Small and Medium Sized Company.

These financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of current – non-current classification of assets and liabilities.

2.2 Statement of compliance:

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

2.3 Critical accounting estimates and judgements:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

2.4 Material accounting policies

a) Property, Plant and Equipment:

Property, plant and equipment are stated at cost, less accumulated depreciation (other than freehold land) and accumulated impairment losses, if any. Freehold land is stated at fair market value.

b) Depreciation / Amortization :

Depreciation is charged to the Statement of Profit and Loss so as to expense the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method, as per the useful life prescribed in Schedule II to the Companies Act, 2013.

MAHIMA HOLDING PRIVATE LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2026

c) Impairment of assets

Assets subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, however, the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

d) Inventories :

The Company has no inventory.

e) Revenue Recognition :

The Company did not earn any revenue during the year under review.

f) Foreign Currency Transactions :

The functional currency of the Company is Indian Rupee (Rs)

(i) Initial Recognition:

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and foreign currency on the date of transaction.

(ii) Subsequent recognition:

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value denominated in a foreign currency are retranslated at the rates prevailing at the date when the fair value was determined.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit and Loss.

g) Employee Benefits :

The Company had no employee during the year under review.

MAHIMA HOLDING PRIVATE LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2026

h) Taxes on Income :

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax:

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax:

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax liabilities are generally recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax liabilities and assets are measured at tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

i) Segment Reporting Policies :

Not Applicable.

j) Cash and Cash Equivalents :

Cash and Cash Equivalents in the cash flow statement comprise of balance with bank and cash in hand.

MAHIMA HOLDING PRIVATE LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2026

k) Provisions, Contingent Liabilities and Contingent Assets :

A provision is recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, and in respect of which a reliable estimate can be made. Provisions are reviewed at each Balance Sheet date and adjusted to reflect current best estimates. A contingent liability is disclosed unless the possibility of an outflow of resources embodying the economic benefits is remote. Contingent Assets are

l) Investments

The Company has no investments.

m) Earning per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of dilutive potential equity shares.

2.5 Recent Accounting Pronouncements:

a) Notified and Effective from April 01, 2025

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standards) Rules, 2015 as issued from time to time.

MCA vide notification May 07, 2025 has notified Ind AS 21 in relation to currency exchangeability and vide notification dated August 13, 2025, has further amended certain Indian Accounting Standards under the Companies (Indian Accounting Standards) Rules, 2015, as follows:

i) **Ind AS 1** - Expanded guidance on classification of liabilities as current / non-current, including impact of loan covenants and related disclosures. Effective for annual reporting periods beginning on or after April 01, 2025; certain provisions mandatorily from April 01, 2026.

ii) **Ind AS 7 and Ind AS 107** - New disclosure requirements relating to supplier Finance Arrangements, effective from April 01, 2025.

iii) **Ind AS 12** – Amendments relating to OECD Pillar Two Model Rules, providing an exception from recognizing deferred taxes and requiring enhanced disclosures. Effective immediately for exception, with disclosures applicable from April 01, 2025.

iv) **Other amendments** – Editorial / Clarificatory changes have been made in Ind AS 101, 108, 109, 115, 28 and 32.

The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its Financial Statements.

MAHIMA HOLDING PRIVATE LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2026

b) Notified but not yet effective

The new and amended standards and interpretations that are issued by the Ministry of Corporate Affairs (MCA), but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company will adopt this amendment to the standard, when it becomes effective.

Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants and Ind AS 10 Events after the Reporting Period.

Ind AS 10 has been amended to remove the previous treatment under which a lender's post reporting date waiver - granted before the financial statements were approved for issue - of a breach of a material covenant in a long term loan arrangement that occurred on or before the end of the reporting period, resulting in the liability becoming payable on demand at the reporting date, was regarded as an adjusting event.

For annual reporting periods beginning on or after April 01, 2026, any breach of a covenant - whether material or immaterial - occurring on or before the reporting date will, in accordance with Ind AS 1, require the related liability to be classified as current, unless the lender has granted a waiver of the breach on or before the reporting date and has agreed not to demand repayment for at least 12 months after the reporting date as a consequence of the breach. Such a waiver shall be treated as an adjusting event.

The amendments are effective for annual reporting periods beginning on or after April 01, 2026 retrospectively in accordance with Ind AS 8.

17 - Financial Risk Management & Capital Management

17.1 - Financial Risk Management

Financial risk factors

The Company's activities expose it to a variety of financial risks : market risk, liquidity risk and credit risk.

A. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market prices. Market risk primarily includes foreign currency risk and interest rate risk.

i) Foreign Currency risk

The Company does not have any exposure to foreign currency risk, as all its transactions, assets, and liabilities are denominated in Indian Rupees. Therefore, it is not exposed to any material market risk relating to foreign exchange fluctuations.

ii) Interest rate risk

The Company uses a mix of cash and borrowings to manage the liquidity and fund requirements of its day to day operations. Further, certain interest bearing liability carry variable interest rates. The carrying value of the debt approximates fair value since the current interest rate approximates the market rate.

B. Liquidity risk

Liquidity risk is the risk that the Company will encounter a difficulty in meeting its obligations associated with its financial liabilities that are settled by delivering cash or other financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liability when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecast of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all time so that the Company does not breach borrowing limit or covenant on any of its borrowing facilities. Such forecasting takes into consideration the Company's debt financing plans, covenant compliance and compliance with internal statement of financial position ratio target.

Financing arrangements:

The table below provides details regarding the contractual maturities of non-derivative financial liabilities as of March 31, 2026:

(₹ in Lakhs)				
Particulars	Less than 1 year	1-5 years	After 5th year	Total
Borrowings	-	-	423.48	423.48
Trade payables	0.48	-	-	0.48

The table below provides details regarding the contractual maturities of non-derivative financial liabilities as of March 31, 2025:

(₹ in Lakhs)				
Particulars	Less than 1 year	1-5 years	After 5th year	Total
Borrowings	-	-	81.74	81.74
Trade payables	1.21	-	-	1.21

C. Credit Risk

Credit risk is the risk that customer or the counter party will not meet its obligation under a financial instrument leading to a financial loss. The Company does not have any significant credit risk exposure as it does not have trade receivables, loans, or investments in debt instruments as at the reporting date. The Company's cash and bank balances are maintained with banks having high credit ratings, and therefore the risk of default is considered negligible.

17.2 - Capital Management

For the purpose of managing capital,

The objective of the Company's capital management are to:

- Safeguard their ability to continue as going concern so that they can continue to provide benefits to their shareholders.
- Maximization of the wealth of the shareholder.
- Maintain optimum capital structure to reduce the cost of the capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and requirement of financial covenants. In order to maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity. The capital structure of the Company consist of net debt offset by cash and cash equivalents and total equity.

Gearing Ratio is as follows :

Particulars	(₹ in Lakhs)	
	For the year ended March 31, 2026	For the year ended March 31, 2025
Total Debt	423.48	81.74
Less: Cash and cash equivalents	(0.54)	(0.54)
Net debt	422.94	81.20
Total equity	2,792.60	2,813.84
Gearing Ratio	0.15	0.03

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the loans and borrowings that define capital structure requirements.

No changes were made in the objectives, policies or processes for managing capital during the reporting year.

b) Fair Value Hierarchy:

This section explains the judgement and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the Indian Accounting Standards. An explanation of each level follows in the subsequent paragraphs.

i) Financial assets and liabilities measured at fair value - Nil**ii) Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)**

The Company considers that the carrying amounts of financial assets and financial liabilities recognized in Note 18 (a) above approximate their fair value.

The fair value hierarchy is based on inputs to valuation technique that are used to measure the fair value that are either observable or unobservable and consist of the following three levels:

i) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have a quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the end of the reporting year. The mutual funds are valued using the closing net assets value (NAV).

ii) Level 2: The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

iii) Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

c) Inter level transfers:

There are no transfers between level 1 and 2 and also between level 2 and 3 during the year.

Fair values are determined in whole or part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

d) Valuation technique used to determine fair value:

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments.
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
- the fair value of forward foreign exchange contracts are determined using forward exchange rates at the Balance Sheet date.
- the fair value of the unlisted shares are determined based on the income approach or the comparable market approach. For these unquoted investments categorized under level 3, their respective cost has been considered as appropriate estimate of fair value because of the wide range of possible fair value measurement and cost represent the best estimate of fair value within that range.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

19 - Ratios

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025	% Change
a) Current Ratio	0.27	0.91	-70.43
b) Debt Equity Ratio	0.15	0.03	422.02
c) Debt Service Coverage Ratio	-0.19	-2.64	-92.85
d) Return on Equity Ratio	-0.01	0.00	221.89

i) Net Profit Ratio	N.A	N.A	N.A
j) Return on Capital Employed	0.00	0.00	539.74

Reasons for variance of more than 25% in above ratios :

Ratio	Reasons for the Variances
a) Current Ratio	Decrease is on account of increase in statutory dues and absence of advance to supplier in the current year.
b) Debt Equity Ratio	Increase is on account of increase in borrowings in current year.
c) Debt Service Coverage Ratio	Increase is on account of increase in finance cost & other expenses in current year.
d) Return on Equity Ratio	Decrease is on account of Loss in current year.
j) Return on Capital Employed	Increase is on account of increase in other expenses and borrowings in current year.

Since the Company is yet to commence operation, many of the ratios are not applicable and hence not commented upon.
